FINANCIAL AND COMMERCIAL.

WALL STREET, June 6-6 P. M. The week in Wall street opens on dull and irregular markets. The cable reports a holiday in London, owing to the observance of Whit Monday.

THE NEW FUNDING BILL It will be seen by our Washington telegrams that the Ways and Means Committee have reported the new Funding bill. Its general provisions have been already anticipated. The new loan is to be \$1,000,000,000, in the form of a thirty year bond, at four per cent, to be exchanged at par for the five-twenties, and to be sold at not less than par in gold. In the work of transforming the debt the Secretary of the Treasury is authorized to sell the surplus gold of the Treasury to cancel the outstanding debt, while the bonds already in the special and sinking funds are to be destroyed. The bill has been ordered printed. The compulsory section affecting the na-tional banks has been left out. In the street it is thought that the Senate will insist upon the original bill, and that in the failure of the two houses to agree the whole funding question will fall to the ground for this session of Congress.

MONEY IN BETTER DEMAND. some of the stock houses reported a better inquiry for money, and new loans were made in some in-stances as high as five per cent. The prevailing rates were four to five on stocks and three to lour on governments. It is evident from the character of the bank statement on Saturday that no further remittances from the country may be looked for, especially as a better demand is reported in the Western money centres. Commercial paper was un-

POREIGN EXCHANGE LOWER. The foreign exchange market was only moderately active at a reduction of an eighth per cent in rates by the leading bankers. There is a fair supply of bond bills on the market, but few commercial bills. The following are the closing rates this evening:—Sterling, sixty days, commercial, 109% a 109%; good to prime bankers', 109% a 119%; short sight, 110% a 110%; Paris, sixty days, 5.18% a 5.13%; short sight, 5.13% a 5.11%; Antwerp, 5.18% a 5.13%; Switzerland, 5.18% a 5.13%; Hamburg, 35% a 30%; Amsterdam, 40% a 41%; Frankfort, 40% a 41; Bremen, 78% a 79%; Prussian thalers, 71

GOLD WEAK AND DECLINED. The gold market was weak under the steady sales of long gold by parties who have becom e convinced that a bull movement this summer is impracticable, in view of the light demand for exchange and the heavy cotton crop of 1869-70, which has given the country at least \$50,000,000 of gold more than the previous crop, thereby rendering it doubtful whether the balance of trade will be really against us when a settlement of the account is had in winding up the business of 1870. The price dec lined from 114% to 113%, at which latter figure the market closed weak. The course of the market is skown in the

STOCKS DULL.

The stock market was exceedingly dull. Transactions were confined entirely to the clique brokers, who put prices up and down on light dealings. The introduction of the new Funding bill rendered the market feverish and weak in the forenoon, but on the discovery of the real tenor of the measure prices improved and closed steady, if not firm. Wabash was the feature in the early business of the day and ran up to 59%. Pacific Mall was the most active stock and advanced to 43%. The Northwest stocks were depressed by the declaration of a dividend of only two per cent on the preferred sharesa result of the heavy decrease of earnings during the past six months, the falling off being about half a million dollars. In passing the dividend on the common shares the directors have acted with more honesty than the officials of other lines whose stock is largely dealt in at the board and who in the face of heavy losses borrowed money to pay dividends. Lake shore was unsettled, but closed steady and strong. Reading was neglected to-day. New Jersey Central was buoyant. Boston, Hartford and Erie was strong on the anticipation of favorable action in the Massachusetts Senate to-morrow upon the bill already passed by the lower house. market toward the close was strong, and the North-west shares, despite the passing of the dividend-a commentary on the buoyant power of the spring ease and abundance in the money—were quoted at the best price of the day. The following were the closing prices at the last session of the Stock Exchange:-Canton, 68 a 70; Comberland, 43; Western Union, 31% a 31%; Quicksilver, 9%; Mariposa, 6% bld; do. preferred, 14% a 19; Atlantic Maif, 32 a 32%; Pa cific Mail, 42% a 42%; Boston Water Power, 17 a 17%; Adams Express, 63% a 64%; Wells-Fargo Express, 15% a 15%; do. scrip, 3% a 3%; American Express, 44 a 44%; United States Express, 45% a 48; New York Central consolidated, 101% a 101%; do. scrip, 96% a 97; Harlem, 144 a 145 Erie, 23% a 23%; Reading, 109 a 109%; Michigan Central, 124% bld; Lake Shore, 99% 99%; Illinois Central, 139% bid; Cleveland Pittsburg, 109% bid; Chicago and Northwestern, 84 a 84%; do, preferred, 91% a 91%; Cleveland, Columbus and Cincinnati, 82; Rock Island, 121% a 121%; Milwankee and St. Paul, 66% a 66%; do. preferred, 81% a 81%; Toledo Wabash, 59% a 59%; do. preferred, 74% bid; Fort Wayne, 95% a 97%; Onio and Mississippi, 41% a 41%; Delaware and Lackawanna, 111% a 111%; New Jersey Central, 110% a 110%; Chicago and Alton, 113 a 119; Morris and Essex, 94 bid; Hannibai and St. Joseph, 118% a 120; do. preferred, 117 a 118%; Iron Mountain, 46% a 47; Boston, Hartford and Erie, 5% a 5%; Columbus, Chicago

SOUTHERN SECURITIES-TENNESSEES EXCITED The only feature in the Southern list were the Tennessees, which were feverish, and moved violently on light offerings. The earliest street price was 59% for the new bonds, from which there was a decline to 57% at the last Board, where the sales were heavy. Later in the day there was a raily to 58. The only bonds were strong and steady, in view of the expected "scaling" of the new issues. The general list was steady and strong, but dul. JUSTICE IN TEXAS.

Austin county, Texas, needs a new charter. The following reprimand of a jury for acquitting a man indicted for murder is worthy of some of our pest New York judges in the days before our new Charter gave petit juries some idea of justice:-

gave petit juries some idea of justice:—

GENTLEMEN OF THE JUNY—I deem it my duty to say to you that the Court disapproves your verdict. It is the decided opinion of the Court that you have, by your verdict, wrongfully turned another man loose upon the community. By your verdict you have said that the accused is guilty of no crime. Your verdict is final and he cannot again be prosecuted for this offence. Your verdict being contrary to law, contrary to evidence and contrary to the charge of the Court, the Court desapproves of your action in the strongest possible manner. You are discharged, gentlemen of the jury, from the further consideration of this case. The prisoner may be released.
